

*This is our school. You can find it in Prague in a part called Cakovice.*

*In the first photo you can see a new sports hall. It was opened in June.*

*In the second picture you can see both parts of our school - the older and the newer one.*

*Here is the older part of our school, it is for younger pupils.*

*The colours of our school are blue and yellow, these are colours of our townhall.*

*In these two photos you can see an entrance hall and a dressing room.*

*Pupils leave their shoes and jackets here.*

*A corridor in the older part of the school.*

And here is the corridor in the newer part. When you climb the stairs, you come into a brand new floor - the third one - it was also built and opened this year.

*As you can see, we have started to separate our waste. The yellow container is for empty plastic bottles, for example. And in the last picture there is our computer classroom.*
